Dear Parent/Carer,

Re: Instrumental Tuition Fee Increase from January 2018

Hertfordshire Music Service have recently reviewed their pricing due to many factors including increased employment costs and withdrawal of the Education Support Grant. In order to sustain their service they have made the decision to increase their charges. These changes will come into effect from January 2018 and will affect the Spring Term Invoices.

Please see below for the revised termly costs for Music lessons:

Individual 15 minute lesson	£110.00 per term
Individual 20 minute lesson	£148.50 per term
Individual 30 minute lesson	£220.00 per term
Shared 30 minute lesson (2 pupils)	£110.00 per term
Group 30 minute lessons (3 pupils)	£ 77.00 per term

As agreed in your original request for music lessons, please remember that if your child wishes to give up their lesson at any time, half a term's notice is required.

Yours sincerely

Mr M. Rowlands
Head of Faculty Expressive Arts
