

Dear Parent/Carer

## Internet Safety

Having recently attended Safeguarding Training on Internet Safety hosted by Hertfordshire County Council and ECP Limited, I have made the decision to invite ECP Limited in to the school to provide students, staff and parents with the most up to date information on internet safety.

ECP Ltd will host year group internet safety training sessions on 27/11/18. They will also host a session for staff. The Company will be offering parents/carers a one hour training session at 5pm, covering a vast range of topics including:

- \* Introduction to the CEOP, thinkyouknow website and why children would use the report abuse button.
- \* Popular apps
- \* Most concerning apps
- \* Gaming - awareness of 'Fortnite' being one example and parental controls
- \* Stages of Grooming
- \* Sexting
- \* Cyber bullying
- \* Content covered with children from my work in the day regarding personal information etc.
- \* Making things safer - discussing parental controls and useful websites and apps

The speaker is an ex-police officer and parent who will share some of her experiences. If you would like to attend please, complete the response form below and return it to the school office. As the hall has limited space available, please return your reply slip asap. In order to fund this event we will be hosting a non-uniform day and asking for a voluntary contribution of £2. Please visit the website for further information [www.ecplimited.com](http://www.ecplimited.com).

Yours sincerely

Jo Gant  
Headteacher
