

Dear Parent/Carer

KS3 Parents' Evenings for Foundation Subjects from 4pm – 6pm

Year 7: 7C & 7F - Monday 4th March 2019
7R & 7S - Wednesday 6th March 2019

Year 8: 8E & 8H - Monday 11th February 2019
8K & 8T - Wednesday 13th February 2019

Last term you had the opportunity to meet your child's English, maths and science teacher. This term, the Parents' Evening is designed to give you a chance to see some of your child's foundation subject teachers. Due to the fact that many of our foundation subject teachers teach all, or most of the year group, we are unable to provide individual appointment times for everyone.

Therefore, we have decided to use our Year 5 model of Parents' Evening and will be opening the school from 4pm until 6pm on the above dates for Year 7 and Year 8 parents and carers. This is an informal opportunity for you and your child to visit, review books and meet the teachers. Although this may still not provide you with the capacity to see all staff involved, it should enable you to prioritise the subjects in which you have concerns regarding your child's progress or to discuss a subject your child may be considering for options at Freman College.

When you arrive to the classroom, if the teacher you wish to meet is not available, please use the waiting time to review your child's books until they are free. We would also like to hear your feedback on this style of Parents' Evening.

We do hope you accept this opportunity and encourage you to please bring your child with you. If you do not manage to meet a specific teacher, you will be able to sign up for a telephone consultation.

Yours sincerely

Jo Gant
Headteacher
