# Zentangles - Sectioning and filling by rotation and repetition

<https://www.youtube.com/watch?v=qBwHUKHUdD8> How to draw zentangle art for kids

For your home learning, please watch this clip and then create your own hand zentangle by drawing carefully around your own hand and then creating sections. Within each section, fill with a different pattern.

To take it a step further, fill your background with a pattern that shows your hand off.
