

9th September 2019

Dear Parent/Carer

Within the school this year, we are exploring ways in which to develop students' skills in the creative pathways and help them to recognise how those skills can help them achieve success across the curriculum and into their future lives. To help us deliver this in those real-life experiences that are proven to ensure the learning is deep and relevant, we need your help.

If you, or a relative/friend have a creative/artistic/musical/dance skill that you would be willing to share with groups of students, please let us know what that skill is and your availability for coming into school.

Also, if you, a friend or a relative have set yourself up in business and would be willing to talk to groups of students, or have us visit you in your workplace, again can you let us know the details and your availability. If you or the company you work for have any arts and crafts materials, sample books, remnants, wools that could you donate them to the school for our various projects/workshops, we would be very grateful.

Yours sincerely

Ms E Keohane
Leader of Art

P.S. A big 'Thank you' to the parents/friends who have already been donating bits and bobs to the Art room. I don't always know where and how they get to me, but they are very much appreciated!

Please return to Ms Keohane

Name _____ parent/guardian/friend of
_____ Year group _____

I would be happy to share my expertise in _____

and am available _____ for workshops/talks/demonstrations.

My business is in _____
and I would be happy to come into school to talk to students about the process of setting up a business, the skills needed, and/or I would be happy to have students visit the business itself. (Maximum group size _____) Please delete that which is not applicable and if you have any further suggestions/offerings, feel free to add below.
