

## Year 8 French Homework – Autumn Term

The most effective way to make learning stick in your long-term memory is by repeated retrieval practice and self-quizzing. Use your self-quiz bookmark (and the tips on it) to help you to revise.

It works much better if you revise for 10-15 minutes, 3x per week, rather than 30-45 minutes all in one go!

class test	Type of learning	Content to revise	Revised (write the date)		
			1 <sup>st</sup> time	2 <sup>nd</sup> time	3 <sup>rd</sup> time
	<b>Productive</b> (you need to be able to spell the French)	Left-hand column – from <i>l'Allemagne</i> to <i>il parle anglais</i> .
