

1 Foundation

Here are some number cards.

3	8
15	?

The mean of the cards is 9
What is the value of the missing card?

2 Foundation/Higher

Here are some expression cards.

$c + 9$	$2c + 7$
c	$3c$

Write an expression for the mean of the cards.

1 Foundation

Here are some number cards.

3	8
15	?

The mean of the cards is 9
What is the value of the missing card?

2 Foundation/Higher

Here are some expression cards.

$c + 9$	$2c + 7$
c	$3c$

Write an expression for the mean of the cards.

3 Higher

Here are two sets of algebra expression cards.

Set 1	$c + 5$	$2c$	$3c - 2$	
Set 2	$c + 9$	$2c + 7$	c	c

The mean of set 1 is equal to the mean of set 2
Work out the value of c

3 Higher

Here are two sets of algebra expression cards.

Set 1	$c + 5$	$2c$	$3c - 2$	
Set 2	$c + 9$	$2c + 7$	c	c

The mean of set 1 is equal to the mean of set 2
Work out the value of c
