

Year 8 Art

Year 8 Art Homework – due wc 3rd June

Following on from our work in class looking at ourselves, please create a collage of you and all the things that are important to you, in the style of Peter Blake.

Use an A4 piece of paper and divide into a 3x3 grid – 3 rectangles across and 3 down = 9 rectangles.

Each rectangle has to be filled using a mixture of cut-out pictures from magazines/catalogues and/or sketching. Your grid must contain an image of your favourite food, your favourite sport/hobby, your favourite drink, your lucky/favourite number, your favourite song/book and in one rectangle, a shape.

The remaining 3 rectangles can be filled with photos/parts of photos or images that mean something to you.

(Med/Hot) Find out about Peter Blake and create an artists' profile, showing his style and techniques used.
