**Parental Workshop: 'Talking about sex and relationships with your teenager'
Wednesday 3rd April 2019 from 7pm to 8:30pm**

As a school we are committed to providing our students with opportunities to learn the skills they need for a happy, healthy life. This includes relationship and sex education (RSE) that is age appropriate and promotes consensual, respectful relationships for all. More than just the 'facts of life', research suggests that this is most effective when supported by parents / guardians at home. This is why we would like to invite all parents/carers to a Parental Workshop:

'Talking about sex and relationships with your teenager' on Wednesday 3rd April 2019 from 7pm to 8:30pm to be held in the school hall.

This will be led by Vanessa Rogers, who some of you will be familiar with from the Parental Drug Awareness Workshops, an independent PSHE consultant. The workshop will provide:

- Up-to-date information about sex education and the National Curriculum
- Useful tips on how to have positive talks about relationships, sexuality and sex at home
- Details of where to go for additional information and support
- A question and answer session for parents to learn more.

To book your place(s) on this workshop, please complete and return the reply slip to the school office.

I hope that you will find all the information you require within this letter but should you have any queries or concerns, please do not hesitate to contact me.

Yours sincerely

Jo Gant
Headteacher
