Uniform for September 2020

In order to help ease the burden on tight budgets, we want to make the uniform as affordable as possible, so for the first term our uniform will consist of the following items which can be purchased from any supermarket:

- ❖ Navy blue V neck jumper
- ❖ White polo shirt
- ❖ Black or grey trousers or skirt.
- ❖ Black shoes that cover the feet to avoid hazardous substances damaging the feet in workshop and science
- ❖ Black shorts for PE
- ❖ White polo shirt for PE (in addition to the one for the school day)
- ❖ Black tracksuit bottoms
- ❖ Black or grey hoodie for outside sporting activities
- ❖ Trainers - inexpensive brands
- ❖ Football boots for football and hockey (both boys and girls)
- ❖ Mouth guard

However if you have items of uniform that still fit, or handed down from a sibling, this is also acceptable.
