

Year 7 Homework – due your art lesson w/c 23rd April

Start to design the mask you would like to make. This should be on A4 paper and fill the page. Annotate (label) your mask showing where you are going to use patterns, added materials etc.... Remember to include exaggerated features and think about where you could add hair/beards/horns/head-dresses and some of the techniques we have been learning about in class – cords/tassels/pom-poms.

Be creative and best sketching skills please – make it look 3D!

Cool Chillis – a mask with at least one exaggerated feature and creative use of colour, textures and patterns.

Medium Chillis – A mask with at least two exaggerated features and/or a protrusion (sticks out) from the face. Strong use of pattern and textures. To include at least one skill - cord/tassel/pom-pom.

Hot Chillis – A mask with at least two exaggerated features and an extension/protrusion to/from the face. Strong use of colour, pattern texture and at least two skills – knotting, tying, cords, tassels, pom-poms

Bring in any materials you want to use on your mask.

Happy designing!!
